

Obtaining a New Vehicle Registration in Texas

Texas residents who own a major vehicle are required by law to renew their vehicle registration annually. You have three registration options.

- ▶ Register online (for residents in participating counties only)
- ▶ Register by mail
- ▶ Register in person

If you are a new resident or your registration has expired, you can only register in person and you must register in the county you will be living in. For more information about vehicle registration, visit www.txdot.gov.

Register by Mail

Registration renewal notices are mailed to all registered vehicle owners. To register by mail, send the following to your county tax office:

- ▶ Renewal notice (keep the vehicle owner's section for your records)
- ▶ Photocopy of your vehicle insurance card
- ▶ Registration fee (varies by county) plus \$1 mail-in fee

If you did not receive your renewal notice, please contact your county tax office for assistance. You should ask a tax office representative to verify your mailing address.

Register in Person

To register your vehicle in person, take your registration renewal notice and proof of current liability insurance to your county tax office. The registration fee is due at the time of registration.

If you did not receive your renewal notice, you can renew your registration using your:

- ▶ Vehicle license place number
- ▶ Vehicle identification number
- ▶ Registration receipt from the previous year
